CERTIFICATE OF COMPLIANCE

02/19/2018

We hereby certify that all article, materials, products, equipment and services, furnished by Cal-Chip Electronics Inc. are compliant to the REACH legislation Annex XIV and XVII under EU directive 1907/2006. None of the 181 listed SVHC's are present in any of the below mentioned product series with the exception of the RM CN series which contain the added Lead Oxide, (CAS# 1317-36-8). No exposure to humans or the environment is realized during normal usage or disposal. Our products are free of Ozone Depleting Chemicals (ODC's). Products below also comply to PFOS EU directive 2006/122/EC. Substantiating inspection and/or test data is on file at the manufacturer's plant, subject to review by the buyer and/or government representative upon request. It is also certified that all devices in these series are compliant to the **ROHS 2 2011/65/EU and ROHS 3 2015/863/EU Directive and current China ROHS II legislation.**

As stated in former REACH list of SVHC's, our products are in full compliance with the latest ROHS list of 10 substances published **June, 04, 2015. (EU) 2015/863** without the use of further exemption.

Cal-Chip **does not** apply exemption 7cIII to any of our ceramic products.

RM and CN series use exemption 7c1 for lead oxide, CAS# 1317-36-8 used in glass of resistive products. **EURP, (Environmentally friendly use period) is 15 years.**

Product series in full compliance: GMC, CHV, TC, RN, RL CRM, CRLM, CRLP, CAS NL, GLF, GHF, CV, FB . CC
